The newsletter of the Florida State University's Childcare & Early Learning Programs

GROWING A PROGRAM FOR FAMILIES

Resources online, withdrawal notices, menus, marketing and transition

Dear Families,

We hope that you are enjoying warmer weather and getting closer to another semester ending. Last month we took advantage of hosting a table for the childcare program at "FSU Day at the Capital." This was a great opportunity for legislatures to see all the wonderful programs at FSU. We made some great connections and are looking forward to partnering with several academic and service departments to enhance your child's experience and learning.

More parent resources online

We are moving forward with streamlining some of the information and processes associated with our program. The **withdrawal notice** can now be found and submitted online at <http://childcare.fsu.edu/For-Parents>. In this section you will also find the schedules for each of the centers. **Monthly menus** will no longer be posted in the newsletter but will be posted online under the "For Parents" section. We are working on getting the center curriculum themes posted

online as well.

Marketing and Transition Program

We are currently working with the Union marketing staff to produce a virtual tour of the centers. This video will highlight the facilities as well as key points of our high quality program. We will begin advertising in the Giggles magazine starting in May. Copies of the magazine will come home with children every other month.

Going to school for the first time and moving to a new school is a major event for families and children. We want to help our families make a smooth transition to ensure that their children begin school with a love of learning, which is why we are developing a **Transition Program**. The transition program will include information from the parents and the teachers as the child develops. This information is essential to ensuring that your child's needs are met and that their learning is individualized and intentional. It is important for the child to be a part of

Tuition Rates 2014-2015

Effective January 1, 2015

Infant and Toddler Center

Pell Recipient/Eligible student parent	\$536
Military Connected Family student parent	\$603
FSU Student	\$670
FSU Faculty/Staff	\$749
Alumni/Community	\$817

Children's Center

FSU Student	\$529
FSU Faculty/Staff	\$631
Alumni/Community	\$885

VPK Parent Portion

FSU Student	\$237
FSU Faculty/Staff	\$339
Alumni/Community	\$593

Tuition Rates. Tuition rates are assessed according to parent status. Non-refundable registration fee \$10 upon enrollment and each Sept. 1, thereafter. Tuition is calculated on 44 weeks of care or 11 months. Tuition is not charged in August. Tuition is due on the first day of the month; late by the 10th day.

Student Rate

Undergraduate parents must be registered for a minimum of 6 hours and graduate student parents must be registered for a minimum of 3 semester hours. During the summer semester, if a student parent is not enrolled, to receive the student rate during the summer semester, the parent must be registered as student for the preceding spring semester and upcoming fall semester.

Pell Recipient/Eligible student (*under Infant and Toddler Center CCAMPIS Grant*) To receive the Pell Grant student parent rates, the parent must be eligible to receive or be receiving Pell Grant funds.

Military Connected Family student (*under Infant and Toddler Center CCAMPIS Grant*)

To receive the Military connected student parent rate, the student must be in veteran or active duty status or have a spouse in veteran or active duty status.

Faculty/Staff Rate

Parents must be employed as an FSU faculty member, OPS, USPS or A&P staff member, FSU Visiting Scholar/ Researcher /Post Doc. FSU employees enrolled as special students or as a student using the university tuition waiver will receive the Faculty/Staff rate.

School Readiness Subsidies.

Parents will be responsible for paying the full amount of tuition at the stated rate above before the 10th of each month. Any subsidies from the School Readiness Program will be applied as a credit to your account when it is received from the agency.

School Readiness Program provides *tuition assistance to eligible families who are working and/or attending school for a minimum of 20 hours per week.*

FSU REGISTRAR CALENDAR

Apr. 3, 2015	End of 12th week of classes. Deadline for late drop with dean's permission.
Apr. 6, 2015	Last day for master's students to submit their manuscript for initial format check.
Apr. 10, 2015	Financial Aid Exit Interviews Deadline for all students with federal loans graduating, transferring, or taking less than six semester hours. Visit https://my.fsu.edu and log on to Secure Apps.
Apr. 20, 2015	Last day for all doctoral and master's students to submit revised, defended version of manuscript and all required forms.
Apr. 24, 2015	Last Day of Classes. Last day to submit ServScript hours online. Last day to reduce course load, if permitted by the academic dean. Last day to withdraw from the University. Last day to apply for AA Certificate at the Office of Undergraduate Studies, UCA 3400. Veterans' Deferments Expire. Full tuition payment must be received to avoid a late payment fee.
Apr. 27–May 1, 2015	Final Exam Week.

Don't forget to make sure your child has an appropriate change of clothes for the warmer weather. 

Withdrawal Notices

April 1st is the last day to submit a withdrawal notice if you will be leaving at the end of the Spring semester without being charged beyond the end of the semester.

A thirty day written notice must be given to avoid incurring tuition fees past the date you plan to have your child participate.

The notice must be submitted online or by paper form available at the center or at FSU Childcare & Early Learning Programs Office, 157-01 Herlong Drive.

Online forms are considered valid and binding once submitted. Paper forms **must** be signed and time/date stamped by a program staff member to be valid. Other notifications such as verbal communication with a staff member will not be considered valid notices.

Once a withdrawal form has been submitted, changes to an earlier date will not be accepted. **Failure to give the required 30 day notice will result in monetary charges for a full month's tuition irrespective of whether the child attends or not.** This allows the centers and families adequate time

to prepare for the child's departure from the

center and new families adequate time to enroll.

2014-2015 VPK Program

The 2014-2015 VPK will end on April 24th. Please note that regular tuition rates for the summer semester will begin May 1st. Tuition rates can be found on page 2 of this newsletter.

Health and Illness Forms Updated

We have revised the Health/Illness form you receive when you pick up your child due to illness. The staff should be giving you a copy to sign and take with you. If you do not receive one please ask for one. This form provides you with essential information regarding your child's return. This weather has brought with it many colds and illnesses. We appreciate your sensitivity in keeping your children at home to reduce the exposure to other children, staff and parents.

WATCH YOUR SPEED!

April 4, 2015 ~ Cascades Park, Tallahassee

Slide the City (April 4) is a family friendly 1,000 foot slip-and-slide water party event. There will be live music, food, drinks, water, and of course the biggest slip and slide ever to hit asphalt. Don't worry, we've got it padded. Make sure to bring your water buckets, floaties, and water guns (non-realistic of course), to squirt, spray, splash, and get all attending soaked. For more information, go to <http://www.slidethecity.com/events/tallahassee/>.

Family Health Day
April 11
 Florida Historic Capitol Museum
 400 South Monroe St.

Participate in a family-friendly, heart-happy, well-being, activity-filled day. From aerobics in the courtyard to activities in the chambers, we celebrate health! For activity schedule, visit our website. For more information, call 850-487-1902 or go to <http://www.flhistoriccaptol.gov/exhibits/publichealth.cfm>.

Midsummer Night's Dream April 17-19, 2015

Capital City Amphitheater at Cascades Park

Southern Shakespeare will perform *A Midsummer Night's Dream* "Summer of Love" at the Capital City Amphitheater April 17-19, at 7:30 p.m. The performance will mix Shakespeare's Renaissance with the love and peace culture of the 1960's. On April 18 a free festival in Cascades Park will accompany the performance. Event will run from 10 a.m.-5 p.m. and will include face-painting, fencing, crafts, costume play, live music, dance and a special appearance by Sonnet Man who turns Shakespeare's sonnets into hip-hop music. Food and drink will be provided by The Edison and GrassLands Brewing Company. A free shuttle service will be offered to transport patrons between the festival and LeMoyne's Chain of Parks Art Festival.

Annual two-day juried art festival held beneath the moss-draped oak trees in the downtown Chain of Parks. Browse exhibits of artwork for purchase from more than 150 artists from around the country. Live music and food. FREE. Enjoy and share the fun using #IHeartTally on your favorite social media sites. For more information, call 850-222-8800 or go to <http://www.lemoyne.org/>.

We hope everyone had a wonderful Spring Break! Spring is around us everywhere!

In February we welcomed the year of the goat and celebrated Chinese New Year. We also worked on Valentine's Day for the first half of the month. We painted and colored with pink and red. We discovered when we finger painted hearts with red and white that when you mix the two together it makes pink!! We enjoyed our Valentine's celebration, thank you to all of the parents who brought in treats for us. For the second half of the month we worked on Community Helpers. This is always one of our favorites!!!! We loved dressing up like mail carriers, fire fighters and truck drivers in Dramatic Play to name a few, but the best part was when the fire truck came to visit!!!! We got to hear the sirens, see the lights, climb through the fire truck and watch the big ladder go up 10 stories high!!!! It was so exciting!

For the first part of March we worked on Rainbows, St. Patrick's Day and the color green. After returning from Spring Break we worked on Spring has Sprung and Bugs and Butterflies. This included bunnies, chicks and Easter Eggs!! We painted and colored with all of our colors to make rainbows and things. We played with our plastic eggs in the sand box, sponge painted with green, made shamrock people and made shamrock collages. We made handprint bunnies and cottonball chicks, and experimented with different colors when we colored eggs. We went on Spring nature walks and enjoyed the beautiful spring weather outside. We saw birds singing in the trees and so many flowers growing all around us. We sang songs like "I love you", "I'm a little shamrock", and "Ten Little Butterflies." We read some of our favorite books including Spring Has Sprung, How Do You Make a Rainbow, and Thumpity Gets Dressed.

We are looking forward to spending a little more time outside now that spring has arrived.

Continued on page 10

February, even with a few less days was packed full of activities and celebrations! We celebrated Groundhog Day, Valentine's Day, President's Day, and the beginning of a new Lunar Year. We also learned about shadows, hibernation, the four seasons, Chinese New Year traditions, and how to take good care of our teeth. The children enjoyed exploring thermometers, making and decorating heart-shaped crafts, toothpaste putty, making homemade dumplings and brushing our giant sets of teeth!

March was a month full of surprises. We kicked the month off by celebrating one of our favorite authors, Dr. Seuss! The children enjoyed a week full of special activities and fun dress-up days as they focused on some of their favorite Dr. Seuss books. After spring break, we dove into our study of volcanoes, dinosaurs, reptiles, and amphibians. The children experienced many different science experiments from watching an eruption of Mentos and Diet Coke to creating a home-made lava lamp. During Dinosaur week, the children learned all about carnivores, herbivores, and omnivores, went camping in dinosaur country, and made dinosaur egg treats. The final days of March were spent beginning a study of reptiles and amphibians.

In April, we will shift our focus to the outside world around us. We will be talking about weather and learning about trees, plants and flowers. We will also discuss Earth Day and the importance of recycling. As

a part of this theme the children will create a three day project that shows the parts of the plant as they plant a seed, add roots and a stem, and then allow their plant to flower.

This theme will also include a discussion about Arbor Day (April 24), planting a tree and talking about the importance of trees!

They will read books like

Harvey Potter's Balloon Farm, Michael Recycle, Chickens are not the Only Ones and The Tiny Seed. Songs for April include "The Green Grass Grows All Around", and "Flower, Stem, Leaves, and Roots". The letters for April are **R** for rain and recycle and **E** for

earth and environment. The color is **green**. April's cooking activities will include making and eating a Tree-shaped spinach & cheese piz-

za and an Earth Day birthday cake. We will review the concept of sequence while learning about the life cycle of a chicken. For our literacy emphasis we will enjoy matching uppercase and lowercase letters, practice beginning and ending sounds and continue working on letter formation.

VPK will come to an end on April 24th. The semester ends on May 1st. Congratulations to those of you who will be graduating!

the process as well. Helping them to understand their new school will help alleviate fears of the unknown. We are developing a video for parents to watch with their children of our centers. The video will be from the perspective of the child and will allow the child to see what their school is like long before they step through the front door. We are also working to design a story books for our families. These books can be read together and shared with extended family. The books will have pictures of the classrooms and the child's teachers. As children become familiar with the faces and the location we hope that their transition into our program will be smoother for them and our parents.

Alumni Village Demolition Project

Major demolition began on Monday, March 23, 2015. Due to the numerous construction vehicles using the Pennell Circle entrance, the construction management team changed the traffic flow to the centers. Pennell Circle (the first gate off Levy Street into Alumni Village) closed starting on Monday March 23, 2015. Pennell Circle is expected to remain closed through June 12, 2015. Demolition activities are progressing on schedule.

As a reminder, for your safety, please do not enter or exit the Pennell Circle gate. As the demolition continues we will keep you updated on any significant changes that may affect our families. If you have any questions, please feel free to contact Tiffany Karnisky or Bill Stacey at 850-644-7970.

*Sincerely,
Tiffany Karnisky*

Infant/Toddler Center, continued from page 6

For the first part of this month we will continue to work on all things spring. This will include working on the colors yellow and pink along with bunnies, chicks and Easter Eggs!! We will paint with yellow and pink, make tissue paper eggs and handprint bunnies along with other Easter surprises. We will make handprint bunnies and cotton ball chicks. We will experiment with all the different colors when we color eggs. We will also have our annual egg hunt!! We can't wait!!!! For the second half of the month we will be working on April showers, the color blue and gardening for earth day!!!! We will be making umbrellas, thumbprint

raindrops and mud puddles for April rain. We will decorate our classrooms with some fruits and vegetables for our "pretend" garden. We will sing some songs including "Ten Little Bunnies" and "Here Comes Peter Cottontail". We will read books like *In My Garden*, a pop-up book by Gill Davies, *Splish Splash Spring* by Jan Carr and *The Very Lazy Ladybug* along with some of our other favorite books. We are looking forward to a fun filled month before the semester ends!!

To keep the learning happening at home, talk about the

changing weather every day and also point out how things are blooming and turning green for spring. Go for some spring time strolls and enjoy the blossoms.

ITCDC Staff

International Women's Day

International Women's Day is sponsored worldwide by the United Nations. The roots of this celebration goes back to 1908 when 15,000 women marched through New York City demanding shorter hours, better pay and voting rights. The first International Women's Day was held March 19, 1911. Women socialists and trade unions held an earlier Women's Day on the last Sunday in February, 1908. The event grew from there and has been celebrated annually since. The focus is upon women workers, and advancing women's rights in the workforce, politics and society.

Purim

Purim is a joyous Jewish celebration occurring on the 14th day of the month of Adar in the Hebrew calendar beginning at sunset. According to the Book of Esther (the Megillah), the king of Persia, Ahasuerus, was nearly convinced to kill all the Jews in his land. Ahasuerus' chief advisor Haman despised Jews, especially a man named Mordechai who had refused to bow before Haman. Mordechai's niece, Esther, was Ahasuerus' queen.

queen. Haman wanted to punish all Jews for Mordechai's actions and convinced Ahasuerus of his position. Ahasuerus, unaware that his queen was Jewish, accepted Haman's plan to cast lots, or Purim, to determine a day for murdering the Jews. Esther intervened on behalf of her people by telling the king that she was Jewish. Upon hearing this, Ahasuerus ordered Haman's death instead and Mordechai assumed Haman's position as chief advisor. During Purim, the Book of Esther is read aloud in the synagogue. When Haman's name is

mentioned, the listeners stamp their feet, boo and hiss and make noise with graggers.

St. Patrick's Day

St. Patrick's Day is celebrated annually on March 17 in honor of Ireland's patron saint. St. Patrick was born between AD 370 and 390 and was originally a Scottish pagan. His given name Maewyn Succat was changed to Patricius (Patrick) after his conversion to Christianity.

naeyc
for families

The NAEYC for Families website at <http://families.naeyc.org/> offers a wealth of information and resources for parents of young children. *Families Today* features articles from Dr. T. Berry Brazelton and Dr. Joshua Sparrow. Dr. Brazelton, renowned pediatrician and behaviorist and child development expert, and Dr. Sparrow, child psychiatrist, offer parents reassuring information and tips on the developing child. *Topics* includes articles and even more tips for parents.

At the age of 16, Patrick was sold into slavery in Ireland. He later boarded a rescue ship and fled to France. Patrick returned to Ireland as a missionary and succeeded in converting the Irish to Christianity. It is said that he used a shamrock to explain the Trinity to potential converts. Patrick is also reported to have driven all of the snakes, a pagan symbol, out of Ireland. This is perhaps a metaphor for driving paganism out of Ireland. St. Patrick's Day celebrations in the United States are secular and date back as far as 1737 when Boston held its first St. Patrick's Day parade. The day is celebrated with green beer, the wearing of green clothing, and parades. However, in Ireland, the day is primarily a religious occasion.

Spring (Vernal) Equinox

Far from being an arbitrary indicator of the changing seasons, March 20 (March 21 in some years) is significant for astronomical reasons. On this day, the Sun will cross directly over the Earth's equator. This moment is known as the vernal equinox in the Northern Hemisphere. For the Southern Hemisphere, this is the moment of the autumnal equinox. Translated literally, equinox means "equal night." Because the sun is positioned above the equator, day and night are about equal in length all over the world during the equinoxes. A second equinox occurs each year on September 22 or 23. This date will mark the autumnal equi-

May your blessings outnumber
The shamrocks that grow,
And may trouble avoid you
Wherever you go.

Irish Blessing

nox in the Northern Hemisphere and the vernal equinox in the Southern (vernal denotes "spring"). These brief but monumental moments owe their significance to the 23.4 degree tilt of the Earth's axis. Because of the tilt, we receive the Sun's rays most directly in the summer. In the winter, when we are tilted away from the Sun, the rays pass through the atmosphere at a greater slant, bringing lower temperatures. If the Earth rotated on an axis perpendicular to the plane of the Earth's orbit around the Sun, there would be no variation in day lengths or temperatures throughout the year, and we would not have seasons.

Source: <http://www.infoplease.com/spot/riteofspring1.html>

Palm Sunday

Palm Sunday occurs on the Sunday before Easter Sunday in the Western Christian liturgical calendar. It signals the upcoming end of Lent and the beginning of Holy Week. The day commemorates the spreading of palms and clothing in Jesus' path as He entered Jerusalem prior to His crucifixion: They brought the donkey and the colt, placed their cloaks on them, and Jesus sat on them. A very large crowd spread

their cloaks on the road, while others cut branches from the trees and spread them on the road. The crowds that went ahead of him and those that followed shouted, "Hosanna to the Son of David! Blessed is he who comes in the name of the Lord! Hosanna in the highest!" (Matthew 21:7-9) Many churches re-enact Jesus' return to Jerusalem with a processional in which participants wave palm branches. In areas where palm trees are unavailable, branches of the pussy willow, yew, and spruce trees are often used.

http://www3.kumc.edu/diversity/ethnic_relig/palm_wc.html

April Fool's Day, April 1

April Fools' Day, sometimes called All Fools' Day, is one of the most light-hearted days of the year. However, its origins are uncertain.

Some see it as a celebration related to the turn of the seasons, while others believe it stems from the adoption of a new calendar. Traditionally, April Fool's Day is celebrated as an opportunity for people to play jokes or tricks

on one another. The stranger and the more absurd the better. The challenge is to carry out a trick that is believable, if only for a little while. Tricks are most successful if played earlier in the day before a person is wise to what is going on. Younger children are also more gullible. However, tricks or jokes must be harmless and in good taste

Continued on next page

for the unsuspecting "victim."

Source: Infoplease.com, www.holidayinsights.com/other/april1.htm

Passover

Passover, or Pesach, is an eight day observance which begins at sunset on the 15th day of Nisan in the Hebrew calendar. During this time, Jews celebrate the flight of the Israelites from Egyptian slavery in the 1200's B. C. E. A ceremonial feast known as the Seder takes place on the first two nights of Passover. Symbolic foods, including unleavened bread, are placed on the table. The word Passover is derived from the tenth plague God placed on Egypt for keeping the Israelites in slavery. According to the Bible, God killed the first born child in Egyptian homes but "passed over" the Israelites' homes which were marked with the blood of lambs.

Good Friday

Good Friday occurs between March 20 and April 23 on the Friday before Easter. It commemorates the crucifixion of Jesus. There are few explanations as to why the holiday is known as "Good" Friday since it commemorates a sorrowful time in Christianity. Some scholars believe that "good" is a corruption of the word "God's" while others speculate that "good" was used to denote "holy".

In Eastern Orthodox churches, the observance is known as Great Friday. Good Friday has been observed since about 100 C.E. However, for many years it had no association with Jesus' death but was simply another day of fasting. Since the late fourth century, it has been associated with the crucifixion. Many churches now have mourning services from noon until 3:00 p.m. to symbolize Jesus' last hours on

the cross. Some congregations also re-enact Jesus' procession to the cross in a ritual known as Stations of the Cross.

http://www3.kumc.edu/diversity/ethnic_relig/goodfrid.html

Easter

Easter celebrates the resurrection of Jesus, the most joyous occasion in Christianity. It also marks the end of Lent. The date of Easter varies each year but always falls between March 22 and April 25. The date is set by determining the Sunday following the full moon on or after the vernal equinox (first day of spring).

According to the Gospel of St. John and other scriptures, Mary Magdalen arrived at Jesus' tomb only to find it empty. An angel told her that Jesus had risen and ascended into heaven. Many churches hold sunrise services on Easter Sunday to symbolize the return of light to the world after Jesus' resurrection. The day is observed with feasts and celebrations.

The name "Easter" reflects many pagan customs that are now associated with the holiday. Present day scholars accept St. Bede's theory that "Easter" is derived from the "Ostern" and "Ostra", Teutonic and Scandinavian goddess associated with spring and fertility. The Easter egg is an example of the pagan origins of Easter. Pagans believed that eggs symbolized earth being reborn each spring. Christianity adapted this custom to symbolize the rebirth of humanity. Easter eggs were first decorated in the late 13th century.
